

IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF OHIO  
WESTERN DIVISION

IN RE APPLICATION OF THE  
UNITED STATES OF AMERICA FOR  
AN ORDER AUTHORIZING THE  
INSTALLATION AND USE OF PEN  
REGISTERS AND TRAP AND  
TRACE DEVICES

CASE NO. 3:14MJ272

---

MOTION TO SEAL APPLICATION AND ORDER AUTHORIZING  
PEN REGISTERS AND TRAP AND TRACE DEVICES

---

Now comes the United States Attorney and moves this Court, pursuant to 18 U.S.C. § 3123(d)(1), and the Court's inherent power to control papers filed with the Court, for a protective order sealing July 31, 2021.

In support of this Motion, the United States Attorney states:

1. An Order Authorizing Pen Registers and Trap and Trace Devices was issued on July 8, 2014.
2. This matter relates to a series of interrelated investigations, some of which have resulted in pending indictments before this Court. Because the full scope of these investigations has not been made public and disclosure of the warrants would reveal investigative techniques actively being used in other active matters, the case should remain sealed.

WHEREFORE, the United States of America respectfully requests that the Application and Order Authorizing Pen Registers and Trap and Trace Devices be sealed and kept from public inspection until July 31, 2021.

Respectfully submitted,

DAVID M. DEVILLERS  
United States Attorney
